

19 October 2020

Dear Shareholder,

INVITATION TO PARTICIPATE IN SHARE PURCHASE PLAN

On 7 October 2020 Wide Open Agriculture Limited (**WOA** or **Company**) announced an offer to eligible shareholders to participate in a Share Purchase Plan (**Plan**).

The Plan offers to eligible shareholders the opportunity to purchase up to \$30,000 of WOA ordinary shares (**New Shares**) at \$0.90 each without incurring brokerage or transaction costs on the terms and conditions (**Terms and Conditions**) enclosed with this letter (**Offer**).

The Offer is on the same terms as a placement that the Company has undertaken by which it has raised \$7,000,000 before costs by the issue of 7,777,778 Shares at \$0.90 each to sophisticated, professional and other investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act (**Placement**). The Placement Shares were issued within the Company's Listing Rule 7.1 placement capacity. This Offer under the Plan follows on from the Placement and provides an opportunity for eligible shareholders to participate in a capital raising on the same terms as the Placement.

Shareholders eligible to participate in the Plan

Participation in the Plan is voluntary and is available exclusively to shareholders who are registered as holders of Shares at 5pm (Perth time) on the Record Date of 6 October 2020 and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Plan and Issue Price

The Plan entitles Eligible Shareholders to purchase parcels of Shares being one of an amount of \$500, \$2,000, \$5,000, \$10,000, \$20,000 or \$30,000.

The New Shares will be priced at \$0.90 each (**Issue Price**). This Issue Price represents a 17.5% discount to the volume weighted average price of the Company's Shares over the last 5 days on which sales in the Shares are recorded before the day on which the Plan was announced on 7 October 2020. The Issue Price is the same price as the Shares that are to be issued under the Placement. There is no offer of Options as part of the Offer.

The maximum number of Shares to be issued under the Plan is 1,666,667 New Shares, which represents a maximum raising of \$1,500,000 under the Plan before expenses.

Participation in the Plan

The offer for New Shares under the Plan is made in accordance with the enclosed Terms and Conditions. An application form for the Plan (**Application Form**) is included in this package.

Eligible Shareholders may participate in one of 6 amounts ranging from \$500 to \$30,000. Any fractions of a New Share will be rounded down to the nearest whole number of New Shares.

The Issue Price is \$0.90 each.

Application for quotation on ASX of the New Shares will be made immediately following issue of those New Shares.

Current Activities

Details of the Company's current activities are set out in the announcements made to the ASX and are available from the ASX, or the Company's website at www.wideopenagriculture.com.au.

The funds raised under the Plan together with the Placement will be used to fund the design, build and operation of a pilot-scale lupin protein manufacturing facility, the design, build and operation of a commercial-scale oat milk facility and the development of an ethical meat and digital platform, for working capital and the costs of the offer.

Effect on Capital Structure

The effect of the Offer on the Company's issued share capital if all New Shares under this Offer are subscribed for is shown in the following table:

Shares	Maximum Subscription
Existing Shares ¹	100,096,293
New Shares under this Offer	1,666,667
Total Shares on issue at maximum subscription¹	101,762,960

1. The existing Shares includes the completion of the Placement of 7,777,778 Shares and assumes that no further Options are exercised. At the date of this Offer, the Company has 18,753,176 Options (both listed and unlisted), all with exercise prices less than the current trading price of Shares.

Custodians and Nominees

Eligible Shareholders who hold Shares as a custodian for one or more persons on the Record Date may apply for up to a maximum amount of \$30,000 worth of New Shares in respect of each beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company. Please refer to the Terms and Conditions for more details.

Price risk

On the last day on which Shares traded on ASX prior to the finalisation of this Plan (on 9 October 2020), the closing price of the Shares traded on the ASX was \$0.97. If you apply to participate in the Plan, you should be aware, and accept the risk, that the market price of the Shares in the Company may rise and fall between the date of the Offer under the Plan and the date when any New Shares are issued to you under the Plan. As such, it is possible that, up to or after the date you receive New Shares under the Plan, you may be able to buy Shares on the ASX at a lower price than under this Plan.

The Board recommends that you obtain your own financial advice in respect of the Offer under the Plan.

Non-renounceable

The Offer under the Plan is non-renounceable and cannot be transferred by Eligible Shareholders.

Foreign offer restrictions

This document may not be released or distributed in any country other than Australia and New Zealand. This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in any other country. In particular, any securities described in this document have not been, and will not be, registered under any United States statute and may not be offered or sold in the United States.

Scale-back

The Company will issue a maximum of 1,666,667 New Shares under the Plan. In the event of an oversubscription by the closing date the Directors will in their absolute discretion scale-back applications. Eligible Shareholders may therefore receive less than the parcel of New Shares for which they applied.

Shortfall

There will be a shortfall if less than the maximum number of New Shares are subscribed for by Eligible Shareholders (ie less than 1,666,667 New Shares). In this event, and subject to any necessary shareholder approval, the shortfall may be placed to sophisticated, professional and other investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act. The Offer is not underwritten.

SHAREHOLDER SHARE PURCHASE PLAN - TERMS AND CONDITIONS

1. PURPOSE

The purpose of the Shareholder Share Purchase Plan (the **Plan**) is to offer eligible shareholders of Wide Open Agriculture Limited (**WOA** or **Company**) the opportunity to acquire additional fully paid ordinary shares in the Company (**New Shares**) in accordance with these Terms and Conditions. Under this Plan, Eligible Shareholders may purchase New Shares at \$0.90 each (**Issue Price**). The purchase is without the need to pay brokerage costs and without the need for the Company to issue a Prospectus.

2. SHAREHOLDERS ELIGIBLE TO PARTICIPATE

Eligible Shareholders

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan. Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

The Record Date is 6 October 2020.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any New Shares offered under the Plan). Eligible Shareholders who wish to take up the New Shares issued under the Plan agree to be bound by the Company's constitution in respect of the New Shares issued under the Plan.

An offer may, at the discretion of the Directors of the Company, be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12 month period is \$30,000.

Joint holders

Where two or more persons are recorded in the register as jointly holding Shares, they are taken to be a single registered holder and the Offer is made to them jointly.

Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547) (refer below) (**Custodian**), you may apply for up to the maximum of New Shares for each beneficiary for whom you act as custodian provided you annex to your Application Form a certificate to the Company (**Custodian Certificate**) with the following information:

- (a) that you or another interposed custodian held Shares on behalf of one or more other persons who are resident in Australia or New Zealand (each a Participating Beneficiary) at 5:00pm (Perth time) on the Record Date who have subsequently instructed you to apply for New Shares under the Plan on their behalf;
- (b) the number of Participating Beneficiaries and their names and addresses;
- (c) the number of Shares that you hold on behalf of each Participating Beneficiary;

- (d) the dollar amount of New Shares that each Participating Beneficiary has instructed you, either directly or indirectly through another custodian, to apply for on their behalf;
- (e) that the amount for New Shares applied under the Offer for each Participating Beneficiary for whom you act plus the application amount for any other Shares issued to you as custodian for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$30,000;
- (f) that a copy of the written offer document was given to each beneficiary; and
- (g) where you hold shares on behalf of a beneficiary indirectly, through one or more interposed custodians, the name and address of each interposed custodian.

For the purposes of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 you are a "*custodian*" if you are a registered holder that:

- holds an Australian financial services licence covering the provision of a custodial or depository service;
- is exempt from the requirement to hold an Australian financial services licence for the provision of a custodial or depository service;
- holds an Australian financial services licence covering the operation of an IDPS or is a responsible entity of an IDPS-like scheme;
- is a trustee of a self-managed superannuation fund or a superannuation master trusts; or
- is noted on the Company's register of members as holding the shares on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request Custodian Certificate and if you would like further information on how to apply, you should contact the Company's share registry during normal business hours.

The Company reserves the right to reject any application for New Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

3. **PRICE OF NEW SHARES**

The price of New Shares to be issued under the Plan is \$0.90 each representing a 17.5% discount to the volume weighted average price of the Company's Shares over the last 5 days on which sales in the Shares are recorded before the day on which the Plan was announced on 7 October 2020.

4. **ISSUE OF NEW SHARES**

The New Shares will be issued as soon as reasonably practicable after the Closing Date. The New Shares will rank equally in all respects with all other fully paid ordinary shares in the Company from the date of issue.

Shareholding statements or CHESSE notifications will be issued in respect of all New Shares issued under the Plan. The Company will, promptly after the issue of New Shares under the Plan, make application for those New Shares to be quoted on ASX.

5. **LODGING THE APPLICATION FORM AND PAYMENT**

You can participate in the Offer by applying for New Shares in accordance with the Application Form. Please follow the instructions on the Application Form as you may choose one of 6 amounts ranging from \$500 to \$30,000.

You can apply by one of the following methods.

Option 1 – payment by cheque or money order

Complete the Application Form and send it to the share registry of the Company at the address shown in the Application Form, together with your payment. Your payment must be by cheque or money order in Australian dollars made payable to "*Wide Open Agriculture Limited*". The Application Form should be sent so that it is received by the share registry by no later than **5.00pm (Perth time) on 30 October 2020**. No late applications will be accepted.

Option 2 – payment by BPAY facility

Make a BPAY payment from your cheque or savings account by using the Biller Code and Reference Number shown on your Application Form which is required to identify your holding.

If you have multiple holdings you will have multiple BPAY Reference Numbers. To ensure you receive your New Shares under the Offer in respect of that holding you must use the specific Biller Code and Reference Number shown on each personalised Application Form when paying for any New Shares that you may wish to apply for in respect of that holding. If you inadvertently use the same Reference Number for more than one of your applications, you will be deemed to have applied only for that application to which that Reference Number applies and any excess amount will be refunded.

If you make your payment using BPAY you do not need to return your Application Form. New Zealand holders will not be able to make a payment using BPAY. Payments made by BPAY received after **5:00pm (Perth time) on 30 October 2020** will not be accepted.

Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment, and should therefore take this into consideration when making payment. You may also have your own limit on the amount that can be paid via BPAY. It is your responsibility to check that the amount you wish to pay via BPAY does not exceed your limit.

By using the BPAY facility to apply for New Shares you represent that the total of the application price for the following does not exceed \$30,000:

- the New Shares the subject of your application;
- any other Shares issued under any similar arrangement in the 12 months before the date of your application;
- any other New Shares which you have instructed a Custodian to acquire on your behalf under the Plan;
- any other Shares issued to a Custodian under an arrangement similar to the Plan in the 12 months before the date of your application as a result of any instruction given by you to the Custodian or to another custodian which resulted in you holding beneficial interests in such Shares.

Once an application has been made it cannot be revoked. All valid applications shall be deemed accepted if received before the Closing Date of **5:00pm (Perth time) on 30 October 2020**.

If the exact amount of money is not tendered with your application, the Company reserves the right to either:

- return your Application Form and/or payment and not issue any New Shares to you; or
- issue to you the number of New Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

The maximum investment any shareholder may apply for is \$30,000. This limitation applies even if a shareholder receives more than one Offer (whether in respect of a joint holding or because the shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application price paid for the New Shares the subject of the application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of the application does not exceed \$30,000.

6. SCALE-BACK

The Company will issue a maximum of 1,666,667 New Shares under the Plan representing a maximum \$1,500,000 raising before expenses.

In the event of an oversubscription by the closing date the Directors will in their absolute discretion scale-back applications.

If the Company undertakes a scale-back, you will receive the number of New Shares decided by the Company in its absolute discretion, which may be less than the parcel of New Shares for which you applied. In this case, the difference between the application money received, and the number of New Shares allocated to you multiplied by the purchase price, will be refunded to you by direct credit (to your nominated account as recorded on Company's Share Register) or by cheque, as soon as practicable, without interest.

Scale-back decisions are made by the Board and are final.

7. PLACEMENT OF SHORTFALL

In the event that less than 1,666,667 New Shares are subscribed for, then (subject to any necessary shareholder approval) the Company reserves the right to place such shortfall to sophisticated, professional and other investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act.

The Offer is not underwritten.

8. ISSUE OF NEW SHARES

The New Shares will be issued under the Plan on or about 10 November 2020 or as soon as possible after that date. The Company may issue fewer New Shares than applied for by you (or none at all) if any of the following apply:

- the Company considers (in its reasonable opinion) that issuing New Shares to you under the Plan will breach the Plan, the Corporations Act or the ASX Listing Rules;
- the Company considers (in its reasonable opinion) that by issuing New Shares to you under the Plan you may exceed the maximum of \$30,000 or receive an aggregate of more than \$30,000 of New Shares under the Plan or any other arrangement similar to the Plan in the past 12 months up to the Closing Date (except

to the extent that the person is issued with New Shares as a Custodian under a custodian offer);

- you are a Custodian and you have not complied with the requirements of paragraph 2;
- the Company undertakes a scale back;
- the Company considers (in its reasonable opinion) that you have not complied with these terms.

It is your responsibility to confirm your holding before trading any New Shares you believe have been issued under the Plan. Any shareholder that sells New Shares before receiving confirmation of their holding in the form of their holding statement will do so at their own risk. The Company and the share registry disclaim all liability whether in the negligence or otherwise (to the maximum extent permitted by law) to person who trade their New Shares before receiving their holding statements, whether on the basis of confirmation of the allocation provided by the Company or the share registry.
