ASX Announcement

Wide Open Agriculture Dual Listing on Frankfurt Stock Exchange

- **Dual listing of WOA shares on Frankfurt Stock Exchange**
- **WOA shares trade under code '2WO'**
- **Broadens WOA's European investor appeal**

Regenerative food and agriculture group Wide Open Agriculture Ltd (ASX: WOA) (WOA or "the Company") is pleased to announce the dual listing of the Company's shares on the Frankfurt Stock Exchange. The company's shares trade under the code "2WO".

The Frankfurt listing expands WOA's investor appeal and increases the Company's exposure to European markets, where there is growing support and interest in regenerative agriculture.

The Frankfurt Stock Exchange is the world's third largest exchange-trading market, behind the New York Stock Exchange and NASDAQ. More than 50% of the total trades on the Frankfurt Stock Exchange are conducted through investors in countries outside of Germany.

WOA has strong European representation on its share register with 26% in Germany, 12% in the Netherlands and smaller proportions in the United Kingdom (1.4%) and Belgium (0.4%).

WOA CEO Dr Ben Cole said: "WOA now has access to new clients and capital markets and will gain greater liquidity and exposure to many more retail and institutional investors. The Frankfurt listing also overcomes time difference and account issues for European retail investors.

"As WOA's shares are quoted on the Australian Securities Exchange, which is a Frankfurt Stock Exchange approved exchange, the dual listing was possible without primary listing procedures and at no additional cost to the Company," he said.
